

## 7<sup>th</sup> Alltech – Hartpury Conference:

Wednesday 3<sup>rd</sup> May 2017

The 7<sup>th</sup> Alltech-Hartpury Conference is aimed at students and scientists who are interested in the application of emerging scientific and business orientated research to enhance performance in equestrian athletes, the equine industry and within equestrian sports.

**Programme of Events – Times of individual sessions remain subject to change**

<b>Morning Session – Chair: Professor Renate Weller</b>	
Arrive and register	8.30am – 9.00am
Welcome to the conference: Helen Warren, Alltech and Kirsty Leśniak, Hartpury College	9.00am – 9.10am
<b>Dr Lisa Boden; University of Glasgow: Title TBC.</b>	9.10am – 9.55am
Student Oral Presentations	9.55am – 10.35am
Poster session – refreshments available and opportunity for networking	10.35am – 11.15am
Student Oral Presentations	11.15am – 11.55pm
Lunch break (Lunch is not provided, however, a range of catering facilities are available on the campus)	12.00pm – 12.45pm
<b>Afternoon Session –Chair: Dr Lisa Boden</b>	
<b>Professor Renate Weller; Royal Veterinary College: Title TBC.</b>	12.45pm – 1.30pm
Student Oral Presentations	1.30pm – 2.10pm
Poster session – refreshments available and opportunity for networking	2.10pm – 2.40pm
Student Oral Presentations	2.40pm – 3.20pm
<b>Closing address</b>	3.20pm – 4.00pm
<b>Presentation of prizes</b>	4.00pm – 4.15pm
Conference closes	4.15pm

Delegate	Registration fee	Early bird registration fee (before 18 <sup>th</sup> March 2016)
Student delegate *	£25	£20
Non-student delegate	£30	£25

**Delegate information:** Bookings can be made via the [online shop](http://www.hartpury.ac.uk) on the Hartpury website: [www.hartpury.ac.uk](http://www.hartpury.ac.uk)

**\*Please note: Students accepted to present either an oral or poster will only be required to pay the early bird entry tariff.**

### Call for Papers

Students are invited to submit individual scientific papers that review emerging research within the field of Equestrian Science including the broad themes of equine behaviour and welfare; equine business management; breeding, genetics and stud management; equine health and therapy; equine nutrition and feeding and rider performance. The conference is again pleased to host both oral and poster sections for undergraduate and postgraduate research. The deadline for abstracts for poster and oral presentations is **Friday 17<sup>th</sup> March 2017**; prospective submissions also considered. Oral presentations will be 10 minutes in length followed by three to five minutes for questions.

Abstract guidance and submission are via the Alltech-Hartpury Conference links on the BEFRED website ([www.befred.org](http://www.befred.org)) or the Hartpury College website ([www.hartpury.ac.uk](http://www.hartpury.ac.uk)). Further details are available from [alltech@hartpury.ac.uk](mailto:alltech@hartpury.ac.uk)
